Events / Security / Marketing

SECURITY DEPARTMENT

Is it perfect
company for
me ?

Its quite common thinking of clients.so lets
Know about company.

About Company

As our company has been start from 2010 we are giving a best service all over India in Securities, Events and Marketing as well. Company has been started to give best service to clients and mention long term relationship. Company has its 120 staff all over India.

Statement of MD

“we are hear to work and earn money not to make money”

“show our work opportunities comes behind us”

Where all this
company can
give security
guards?

Come lets know about our services where
we provide.

WE PROVIDE FOR

- Industrial
- Residential
- Commercial
- It and MNC companies
- Events
- Bouncers
- Personal security

Where You will get security guards?

Its good question we will explain you about that.

What all we teach in training ?

Make securities need to be discipline, come lets know about that

OUR SECURITY GUARDS

All security guards are well trained from our training center and have well experience to work in the regular basis, as we do agreement with client the same process even we will make an agreement with employee to avoid sudden back out in jobs. Even though they have to quit the job they have to provide us one month notice.

WE TRAINED

- Behavior and respecting.
- Discipline in work, dress & grooming.
- Fire fight.
- Emergency caring.
- first aid.
- Alert in work.
- Be active.
- Managing timings.
- No compromise with other works except there duty.

Will the security be changing regularly ?

As per client requirement.

How can I get trust on your company?

Trust is everything.

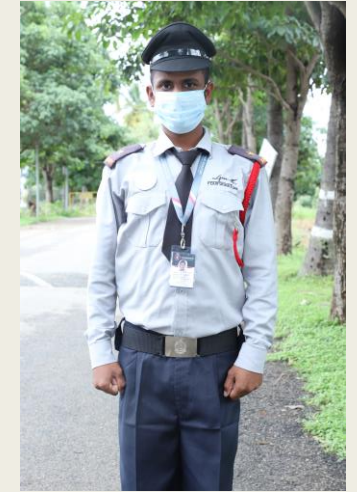

As we see some of our clients in garments and industrial area they will ask us to change security guards monthly wise and some of our clients in residential and apartments they will ask us to appoint a permanent security guards, so this question is completely left to clients we work as per there requirement.

If still you don't have clarity and confidence on company you can see our services for a month in temporary agreement if you are satisfied then we can proceed to next upcoming days and minimum period will be for 1 year. More over our company is certified and approved by the Indian government.
